<Itinerary>

- 1.) Odaesan National Park*
- 2.) Woljeongsa Temple*
- 3.) Daegwanllyeong Sky Ranch*
- 4.) Daegwanllyeong Sheep Ranch*
- 5.) Ski Jump Lounge*

Ocaesan National Park

Introduction

Odaesan has the largest natural forest of Korea, home to many wild animals and plants.

Woljeongsa Temple

Introduction

Woljeongsa Temple of today was restored after many buildings burned down during the Korean War. Many cultural assets and historic data were lost at this time.

Daegwanllyeong Sky Ranch

Introduction

Established in 1974, Daegwanllyeong Sky Ranch has a 40-year-old history with a huge ranch the size of 9 million square meters.

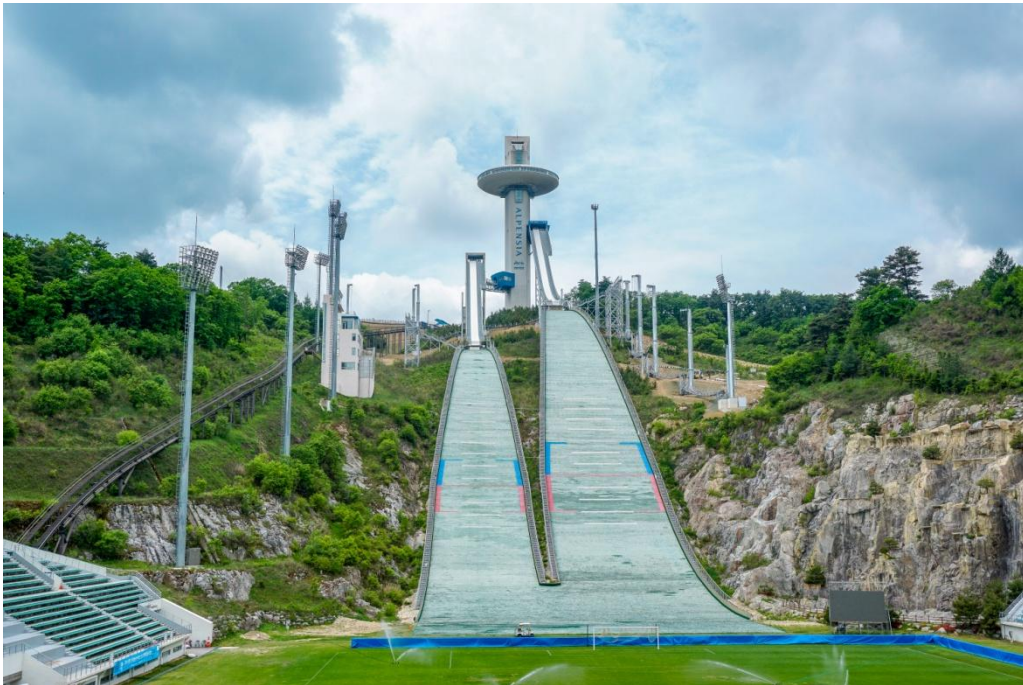

Daegwanllyeong Sheep Ranch

Introduction

Daegwallyeong Sheep Farm is a privately owned ranch on an area of 195 km². There are many ranches in Pyeongchang, but Daegwallyeong Sheep Farm is the only ranch that raises sheep.

Ski Jump Lounge

Introduction

Ski Jump Lounge in Alpensia Resort in PyeongChang was completed in 2009, and it is about 900 meters tall. It can accommodate up to 60,000 persons.
